Lewistown, MT----The main office phone number into the Bureau of Land Management's Lewistown Field Office has changed to 406-538-1900.

Originally, the BLM was of the impression this number would not change with its move into the new office and warehouse facilities at 920 NE Main in Lewistown.

However, as part of the conversion to the new phone system, this change became necessary.

Again, the phone number into the BLM's Lewistown Field Office is now 406-538-1900.
